THE RIDDLER'S
LAST SERMON 2
?

The false shepherd fell.
The true Light remained.

But the Riddler was not finished...
he ran to his lover, Kristen...
...in effort to regain his power back.
Don't worry Eddie... they trust *me*.

But power rarely dies... it only changes its disguise.
We must give! We must sow! For what plant today ...shall save us tomorrow.
REAP WHAT YOU SOW

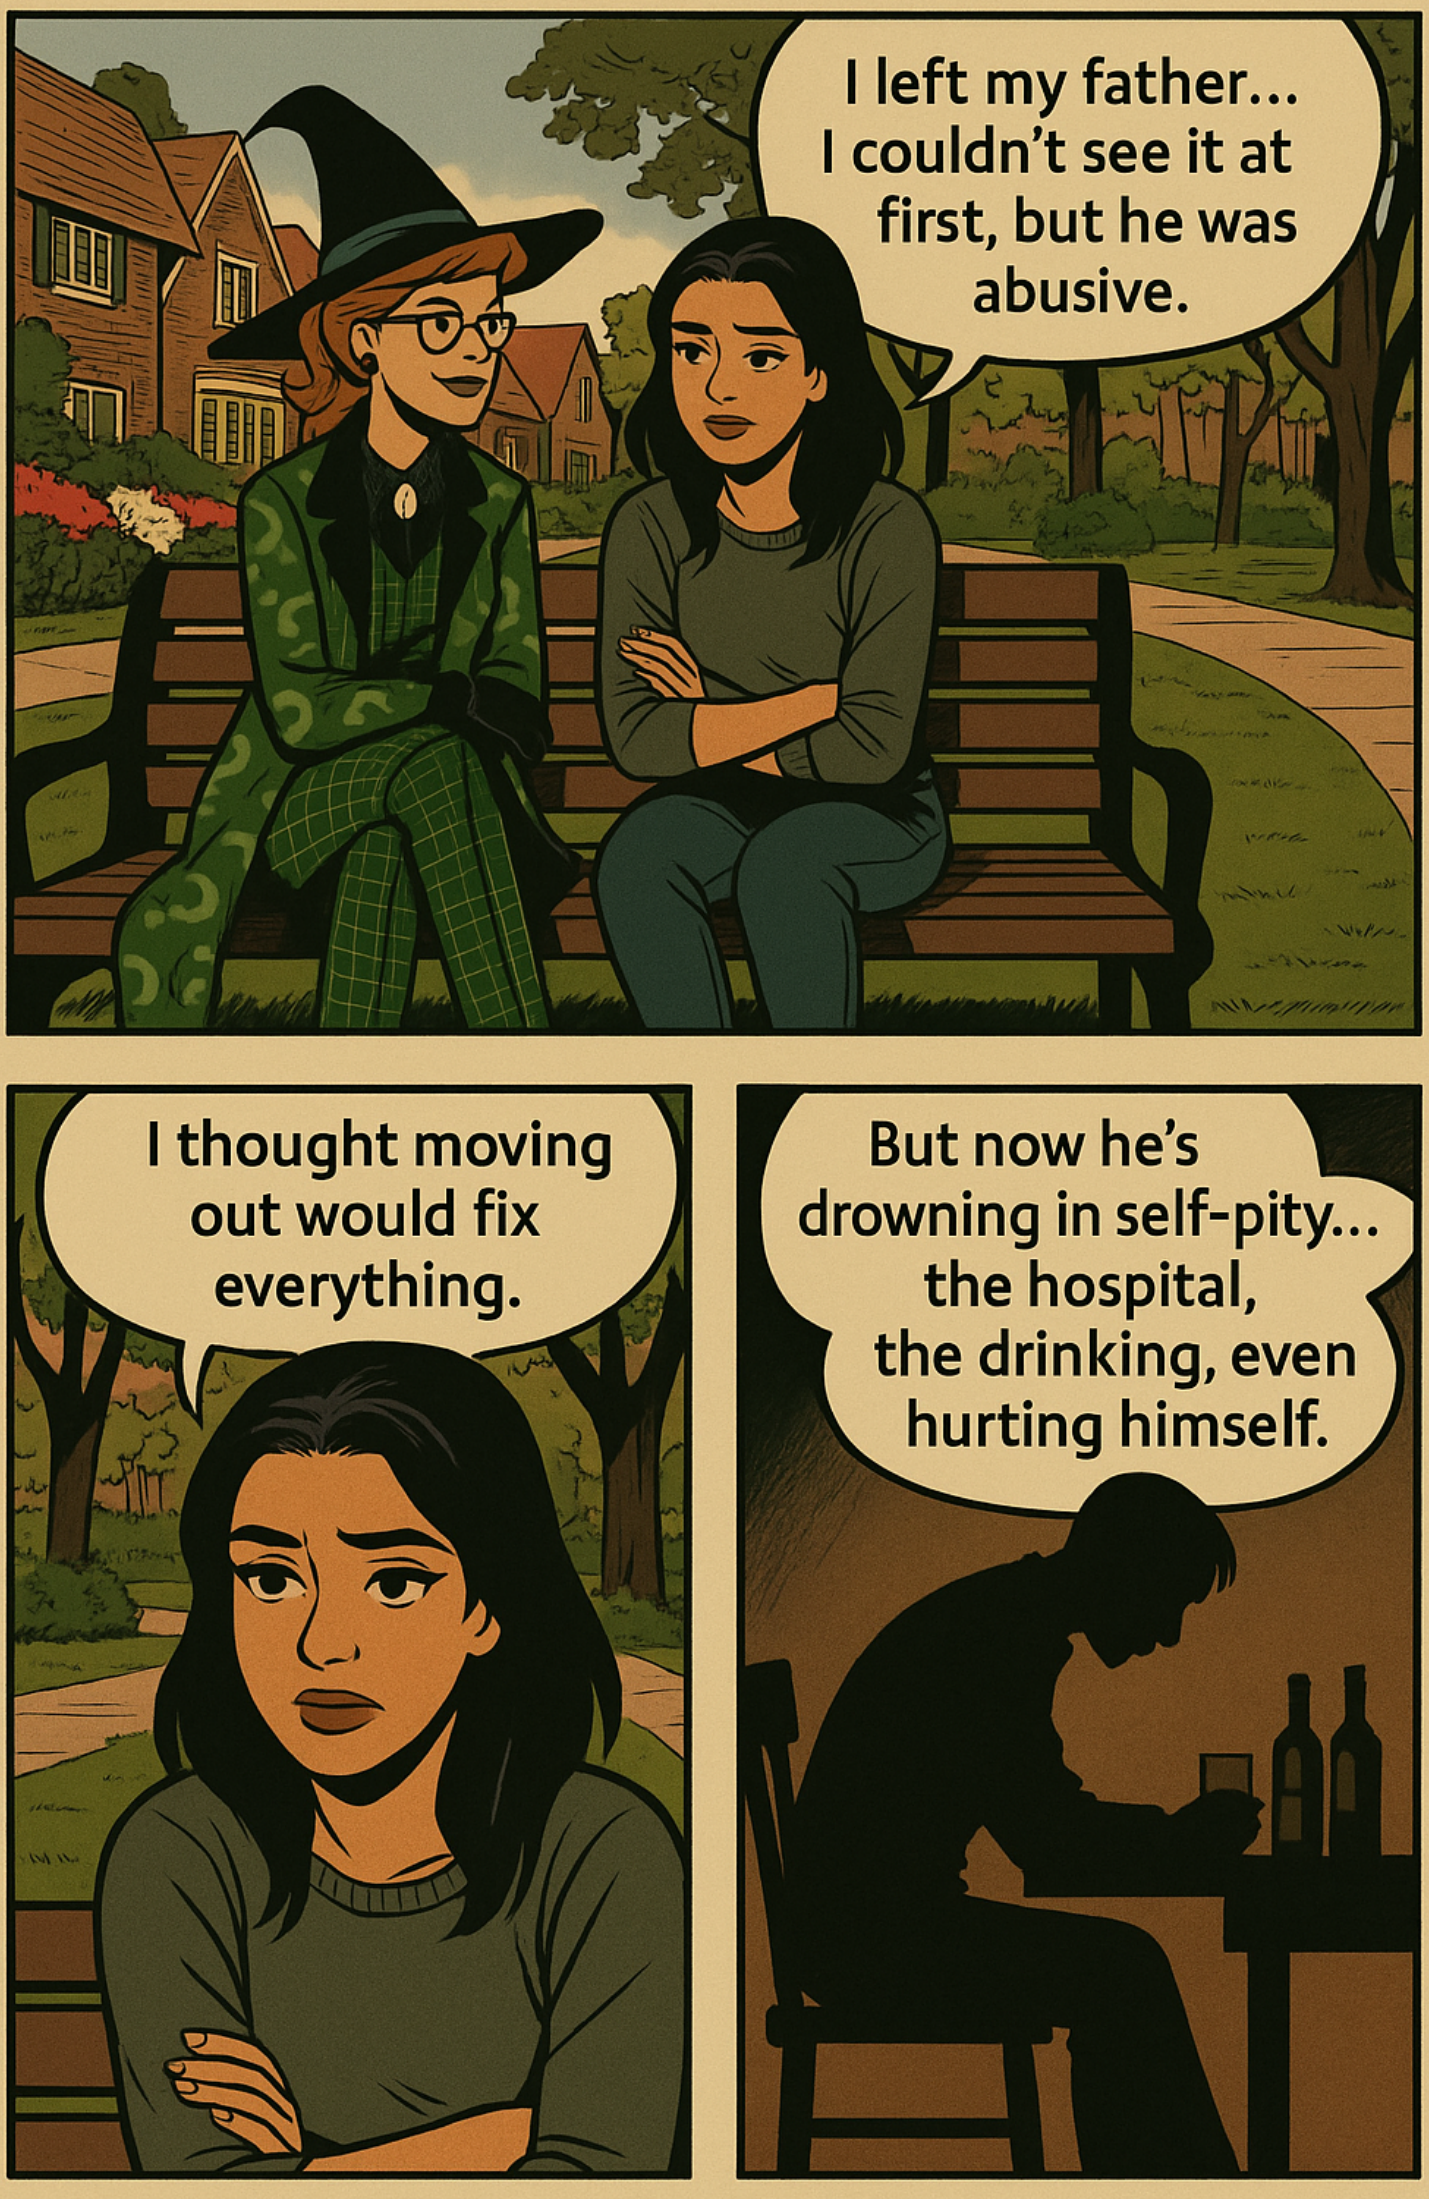
CHARITY
Her kindness was not for love... but for loyalty.
And remember... if you do not sow. you cannot reap.

Soon her charity spread beyond the streets...
The Humble Hands Charity
Don't worry.. God rewards the humble. He rewards those who give.
Her charity became a business, her profit.
Her charity became a business, her performance, a throne.
So noble!
Take money!

But not all who came were blind…
…some came seeking truth.
Give, and God will reward you! Sow, and your children shall reap!



I left my father... I couldn't see it at first, but he was abusive.
I thought moving out would fix everything.
But now he's drowning in self-pity... the hospital, the drinking, even hurting himself.

And yet... he's never changed.
Now my family is YELLING at me... to come back home. To pretend nothing happened.
Tell me, Kristen... what do I do?

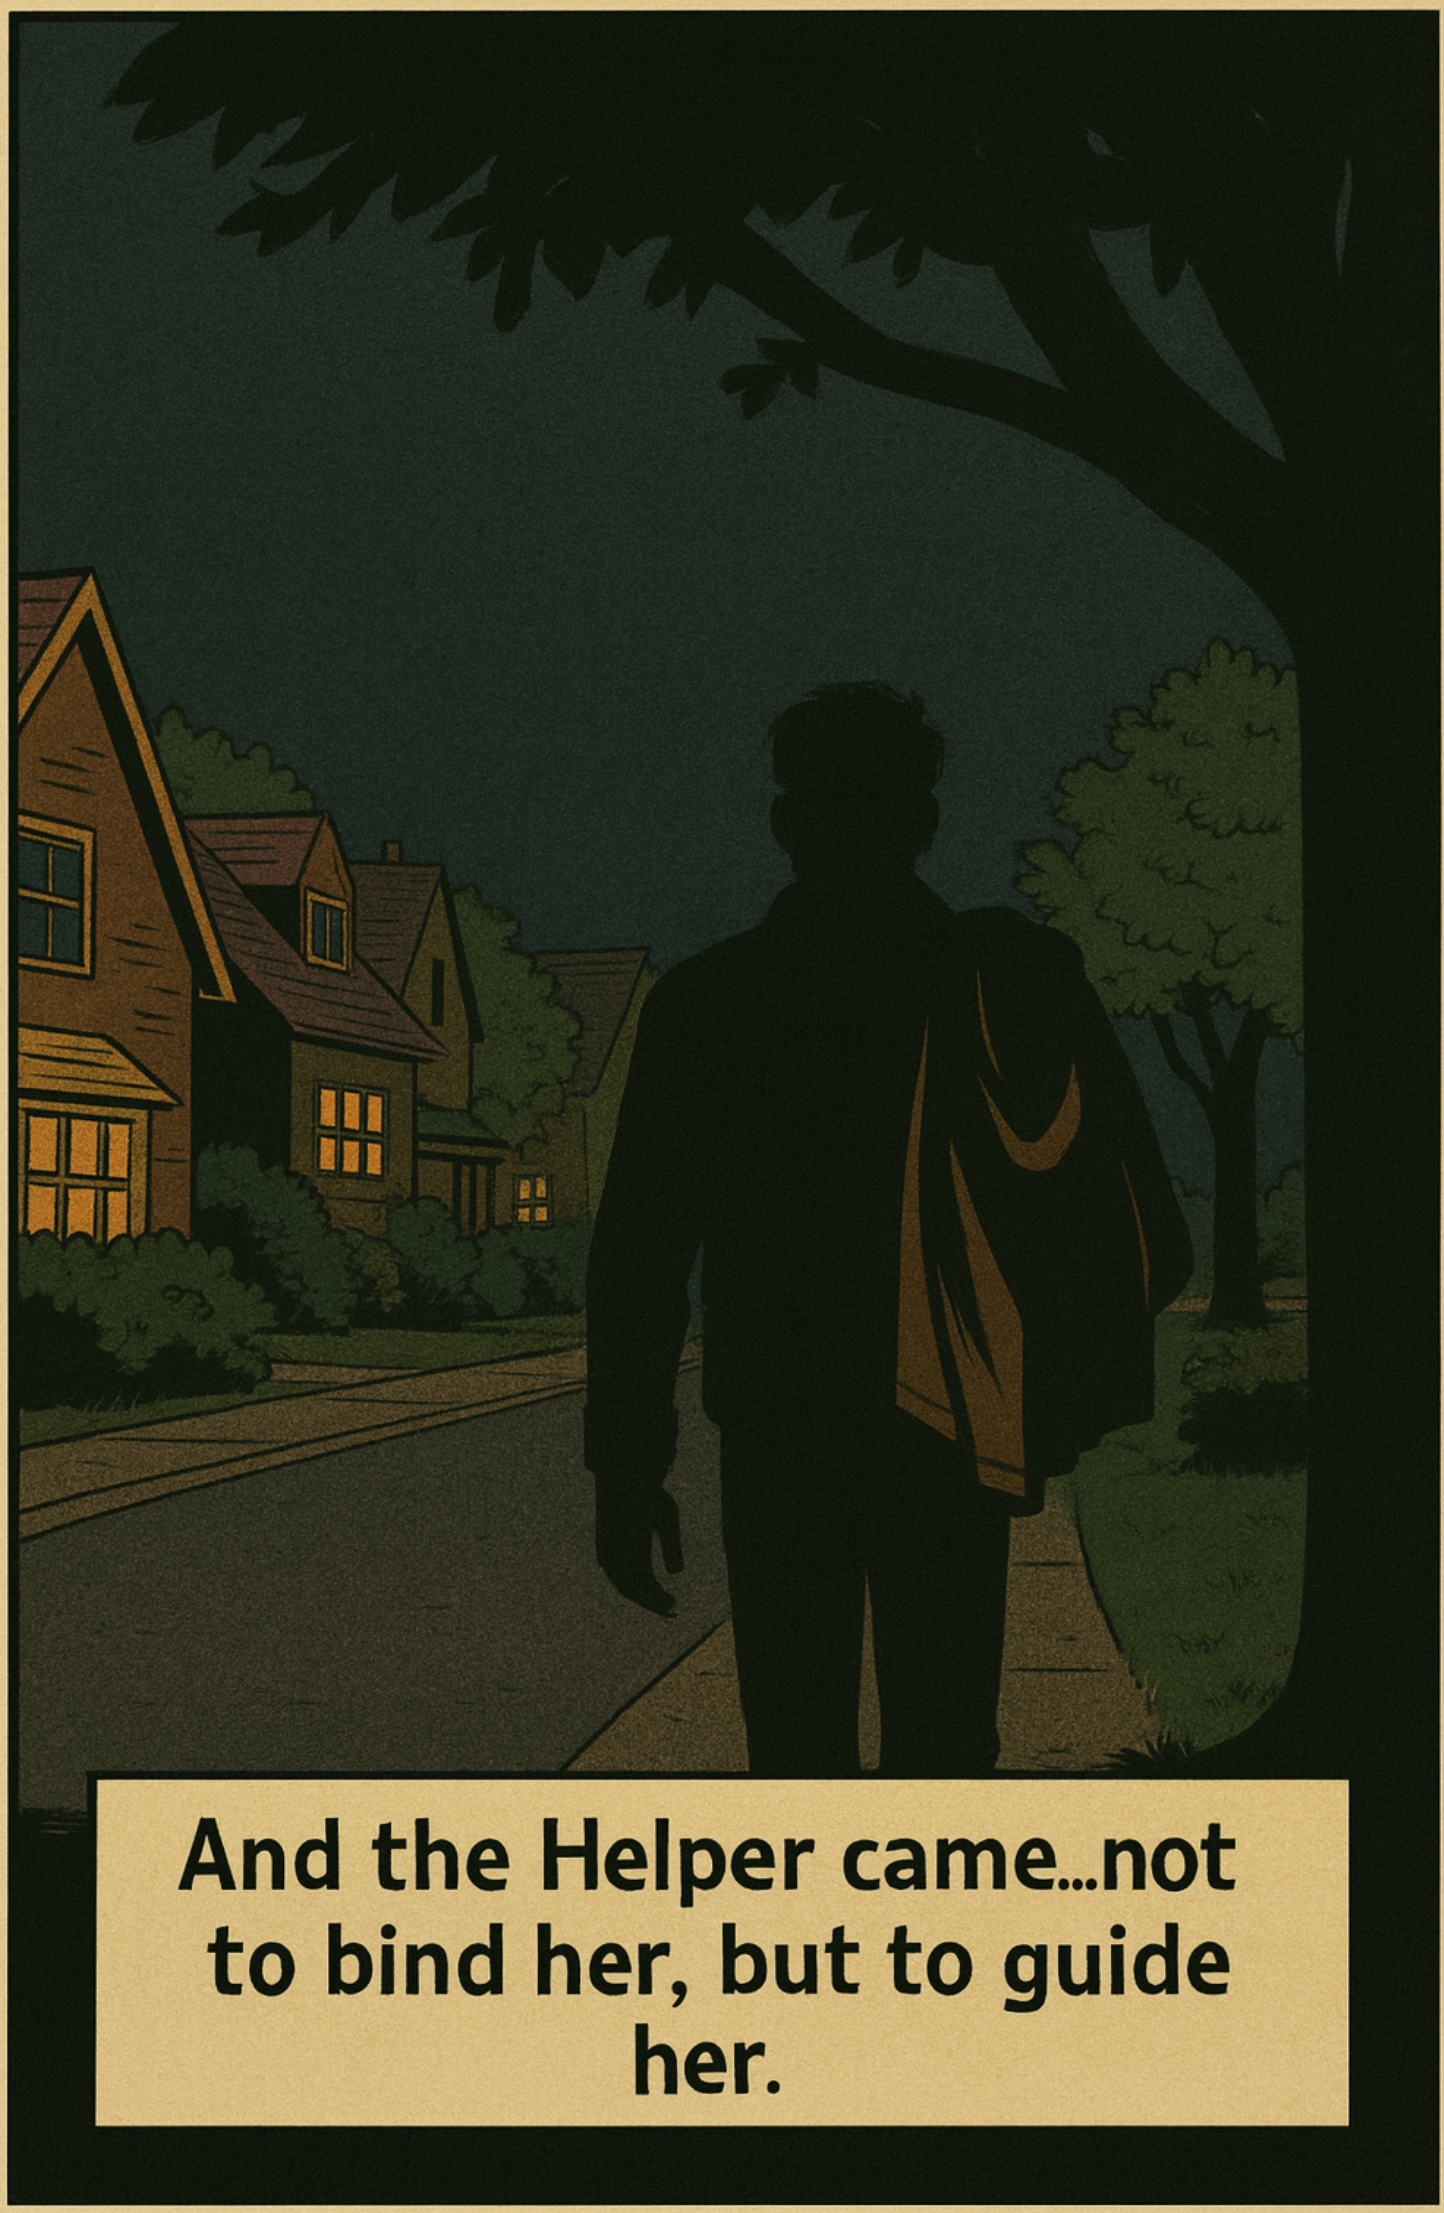
You must go back to the hospital, child.

What?! After everything?!
If you don't... you'll reap what you sow.

But what do you mean? Don't you see he's just...self-pitying himself?

And thus, the witch painted performance as holiness, and guilt as God's reward.

She left with more questions than answers...
CHARITY EVENT
I... I don't understand. Something doesn't feel right.
God... I don't know who to believe.
If You see my heart... show me the truth. Please.



And the Helper came...not to bind her, but to guide her.

Jason...
It's just—Kristen said to go back—
But my dad hasn't changed—he's in the hospital but still manipulating—
And everyone's yelling at me—like I'm the bad one—
What if I'm sowing curses by walking away?! I don't
Whoa... whoa... slow down.

Mariah, did she say: "Reap what you sow?"
Yes. I keep hearing that.

Yeah … that verse gets tossed around a lot. Usually by people who want a return on something.'
It's not about transactions.
It's about your attitude towards God —

AND THAT WHOLE "THE HEART IS DECEITFUL' LINE...
LAST TIME I CHECKED – GOD SEES THE HEART.
THAT'S *LITERALLY* WHAT HE SAYS.
SO IF HE SEES IT... WHY ARE YOU BEING TOLD NOT TO TRUST IT?

Mariah... your dad's not repentant.
He's performing.
You're not cursed for walking away.
You're free because you saw the truth.
Only God can speak on your life, not men.

Whoever told you that is just using the Word for their own ego..
like a leash.
Guilt-tripping anyone towards themselves.

What...?

Whoa—
easy, haha!

I'm free!
Thank God.
I'm free.
